

**MEDALPOWER**

**7kw**

**Medal Power**  
**Wall box EV AC Charger**

## GB/T Type Wall Box Car Charger

### Features:

- >> **Solid design wallbox**  
Meet IP65 & IK10 standard by lab test excellent water protection.
- >> **Indicator light**  
Showing real time charging status
- >> **Smart mini**  
Medal Power smart components highly integrated in a 228.5x228.5 mm Size mini body
- >> **MP certified**  
All parts passed CE Certificates, and tested by MP
- >> **Smart charging**  
The smartphone App can realize the remote control and organize. Integration with OCPP 1.6 J-SON system.

LEAVE POWER FOR MEDAL POWER

<b>Model</b>	GB/T Type Wall Box Car Charger
Model number	MPACWC7KWEVGB/T
<b>Electrical Properties</b>	
Voltage	230V AC ±10%
Output Current	32A
Frequency	50/60Hz
Output Power	7kw
Residual current protection	TYPE A(30mA AC)
<b>Design</b>	
Charging Outlet	4.5M charging cable with GB/T Type socket
Power incoming line	0.7M
Housing Material	PCV0 for outdoor
Installation Method	Wall-mount/Floor-stand
Communication Protocol	OCPP 1.6 J-SON
<b>Environmental Performance</b>	
Protection Level	IP65
Working Altitude	< 2000M
Application Site	Indoor/Outdoor
Working temperature	-30 C ~+50 C
Working humidity	5%~95%, No condensation
Atmospheric pressure	80kPa~101kPa
<b>Packing Details</b>	
Product Size	228.5*228.5*100mm
Product Weight	4.4KG
